1. WeekWorks, sessions to break open My New Covenant

Breaking open the New Covenant—to you—you, you, so you will write His words that He gives you directly—tell them, tell them, tell them this is what I am going to do because this is what you are going to do because I have empowered you to do so.

2. Now roll on with confidence and power—powered by Me—to prowess others, in timidity and comfort-zone-enclosures not—but in open-book distinguishing of character that has Me written all over it, in it, and throughout it, allowing Me to surface through it, into every reader-hearer-see-er.

3. See Me in this WeekWorks, this session to break open My New Covenant to seekers sincere and serious and embellish not any other descriptions of My weeks except what I have spoken over it, and over them, My server of WeekWorks all over My globe.

4. Maturity comes and matures and writes, writes, and speaks of Me, maturely—intimacy having been with Me, in environments which empower and don't control, constrict, and logic out of power My existent words. I love you. I love you. I love you.

5. Guts you have and guts you will increase in My seekers serious-sincere, listening intently, open to My Spirit, My power, My correction, My intimacy'd ones who intimacy seek with My authority given, overpowering all distractions and destroyers.

6. I am Me. I have spoken. I confirm My word with signs and wonders following—following you—attending you, and attending and following My WeekWorkables who serious are in knowing Me. I love you. I love you. I love you.

7. My love increases as out your boat you are, mapless, with only Me—your only guide, your only source—to mappers make of My who-seek-Me, in serious sincerity. Guide My guidable to Me and thankful be. Mastery comes, maturity comes, I come. And I cancel the fear, distraughtness, in My seekables, who seek Me only, and I confirm My word and confirm that I come.

8. Roll on young man, young woman. Teach and mature after learning to sup with Me in intimacy greater—My quarters, My quarters, My quarters. Open to Me—Me—Me only. Thank you.

9. I come, I call, I confirm.

They come. They call. They are confirmed, in Me. I love you. I love you. I love you.

Write more. Allow Me more to speak more often.
Thank you. Thank you. Thank you.
